

# Bigger Financial Destiny

**ACTION equals RESULTS**

WORKBOOK

Creating and implementing effective financial habits one step at a time is the key to long-lasting change. Your financial destiny is waiting on you to do the right thing!

Answer these questions to gain a clear perspective of your current situation and let's work together to make positive changes step by step.

1. What aspect of your financial life requires the most attention? If you are broke write it.

---

---

---

---

---

---

---

2. What are the most important habits you could put into place to enhance this part of your financial life? Write out 6 things you can do right now TODAY

---

---

---

---

---

---

---

3. Limiting yourself to only one thing, which NEW habit would have the greatest impact financially?

---

---

---

---

---

---

---

4. What are the steps you could take to implement this NEW habit. Get UNCOMFORTABLE!

---

---

---

---

---

---

---

5. What actions can you take your first week working on this NEW habit?

---

---

---

---

---

---

---

6. After that habit is complete, what is the next new financial habit you need to create? Share your story with me at **Tiktok@CoachSwanSimpson**

---

---

---

---

---

---

---

**BONUS:** How can taking these baby steps work better for you than the methods you've tried for making financial changes in the past? How will these baby steps give you a BIGGER FINANCIAL DESTINY than you ever had before in the past?
